Revenue Department.

Through the Secretary to the Board,
Land Revenue and Settlement, Madras.

Sir,

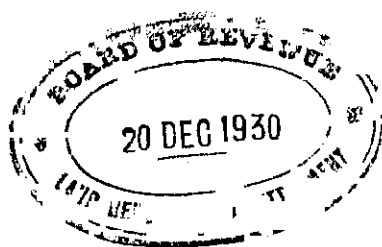

(Non-Gazetted)
- Govt. Officers

The President of the N.G.G.O. Association, South Kanara, Mangalore, which has its club, called "the Souter Reading Room, Mangalore", at my District Head Quarters, has requested me to sanction a sum of Rs. (270) two hundred and seventy from my discretionary grant for the opening of tennis and badminton courts for the use of the members of the Association. The club has been working satisfactorily for some years past and is steadily rising in strength of members, who are at present over a hundred in number, but it is short of funds for starting these outdoor games. I am satisfied that the amount stated above will be absolutely

4

necessary to meet the initial costs of opening the two courts, and providing sets of rackets, bats and balls, the other charges of maintaining them, etc., being met by the Association itself. I am also satisfied that Government help is necessary in this case, as the club is one mainly composed of low-paid clerks of various departments of Government and therefore request that the Government may be pleased to permit me to sanction the amount for the purpose.

Your obedient servant,

A. K. Kulkarni

Grants - Discretionary - (S.Kanara) - The Non-gazetted Govt. officer's Association - Opening of tennis and badminton courts. Ref. U.No.83 U/31. From the Board of Revenue L.R & ref.no.H 7436/30-1 dated 7-1-31.

Please see the Collector's letter and the Board's reference in the U.R.

2. The Collector of S.Kanara has requested that he might be permitted to make a grant of Rs.270 out of the discretionary grant at his disposal to the Non-gazetted Govt. officer's Association, South Kanara, Mangalore, for the purpose of opening tennis and badminton courts. The Board has supported the proposal.

3. In G.O.438 Revenue dated 11-3-30, the Govt. sanctioned a similar request from the Collector of Coimbatore to permit him to give Rs.500 from the discretionary grant at his disposal for the purpose of opening tennis and badminton courts for the use of the Non-gazetted officer's Association of Coimbatore town, provided the Association raised an equal amount by subscription.

4. Though contribution for the encouragement of athletic associations for the provision of game outfits for societies and associations and sporting apparatus for the public and grants of rewards to successful competitors at public sports is one of the objects on which discretionary grant may be expended by Collectors, yet under condition 2 in the foot-note to annexure II to G.O.758 Finance dated 28-9-26, they are prohibited from giving grants to associations that are within the limits of the district headquarter stations.

But this prohibition is I know now regarded as obsolete, and the Coimbatore grant is a proof.

5. It is proposed in G.O.1889 Revenue dated 6-10-30 to delete these and two other restrictions numbered (1), (2) & (3) in the foot-note to annexure to G.O.758 Finance dated 28-9-26 (This proposal has been treated as a part II scheme for 1931-32 and the Finance Committee have recommended that the scheme might be placed in class II).

Submitted that this Department may support the Collector's request, up to a limit of Rs.270 but subject to the proviso that for every rupee granted by the Collector, the Association should raise one rupee among its members.

2. Subsequently when it was proposed to remove the existing restriction that grants should not be given to associations in district headquarter stations, the Acct. Genl. objected on the ground that expenditure on objects hitherto debarred should be treated as on a 'new service' requiring the vote of the Leg. Council.

The proposal was accordingly placed before the Finance Committee as a Part II scheme for 1931-32, and the Fin. Committee have recommended its acceptance.

3. It is now proposed to permit the Colr. of Sout Kanara to give (from his discretionary grant) a half grant viz. Rs 135/ to the Non-Gazetted Govt. officers association Mangalore, towards the cost of opening tennis and badminton courts.

Submitted that the proposal may be accepted.

4. Orders on the case will have to issue only in April. 1931, after the voting of the budget for 1931-32 by the Leg. Council.
